Anatomy Mcq Questions And Answers Pdf

Anatomy Overview: Anatomy is a very important subject in medicine, one of the deciding subject in Medical P.G entrance exam. It requires good understanding of the subject, practicing question papers, bits & remembering it is very important. Though all parts of Anatomy is important one should concentrate especially on lower limb, upper limb & Abdomen. But for scoring 100% marks in the subject it is better to practice the bits on head & neck and throat too.
