Arc Of Justice A Saga

“Arc of Justice perfectly illustrates why W.E.B. Du Bois insisted that a keen sense of drama and tragedy is the ally, not the enemy, of clear-eyed historical analysis of race in U.S. history. By turns a crime story and a gripping courtroom drama, a family tale and a stirring account of resistance, an evocation of American dreams and a narration of American violence, Boyle's study takes us to the heart of interior lives and racist social processes at a key juncture in U.S. history.”
