In researching this material I found definitively that Arthur was Welsh, Celtic, or Breton. That he fought the Saxons in the north, in the south, or in Wales, around the year 450, or 500, or 525. That he was and wasn't a king, who was or wasn't named Arthur. That he was a figure of imagination and a real person. The real Arthur (maybe)

THE ANGLO-SAXONS PERIOD | MindMeister Mind Map

The Battle of Badon also known as the Battle of Mons Badonicus was a battle purportedly fought between Celtic Britons and Anglo-Saxons in Britain in the late 5th or early 6th century. It was credited as a major victory for the Britons, stopping the encroachment of the Anglo-Saxon kingdoms for a period. The earliest references to the battle by the British cleric Gildas date to the 6th century. It is chiefly known today for the supposed involvement of King Arthur, a tradition that first clearly ap

Battle of Badon - Wikipedia

The Arthurian Age; the Celtic Twilight; the Dark Ages; the Birth of England; these are the powerfully romantic names often given to one of the most confused yet vital periods in British history. It is an era upon which rival Celtic and English nationalisms frequently fought. It was also a period of settlement, and of the sword. This absorbing volume by David Nicolle transports us to an England ...

Arthur and the Anglo-Saxon Wars - Osprey Publishing

The probable truth is that Arthur was a romantic amalgam of many Celtic leaders involved in the fight against the Anglo Saxons. It has been pointed out that no reference to Arthur was recorded by Bede, Gildas or the Chronicle and this omission has been used to discount his existence.

Arthur and the Celtic Decline | Anglo-Saxon (500-1000 ...

Assuming that King Arthur actually existed in some form, which is still at best a problematic assumption, this book goes well outside any particular era he would have lived through; if nothing else there is a vast amount of information on the Anglo-Saxons in here, the people he supposedly fought against.
