Bloodline Tom Thorne 8 Mark~~

Mark Billingham's Tom Thorne novels just get better and better. Bloodline is the eighth and like the first seven is a compulsive read. On the trail of a ruthless killer, Thorne is confronted by a psychopath who will stop at nothing to snuff out those on his kill list, including police officers.

~~Bloodline (Tom Thorne, #8) by Mark Billingham~~

The eighth book in the Tom Thorne series, from bestselling author Mark Billingham. When a dead body is found in a North London flat, it seems like a straightforward domestic murder until a bloodstained sliver of X-ray is found clutched in the dead woman's fist - and it quickly becomes clear that this case is anything but ordinary.

quite managed to capture the excellence of the first two or three in the Tom Thorne series. This isn't bad and has some good moments. However, I have to say that I think he is wrong to narrate his books himself - he's a good writer but I find his narration flat and for me it detracts from a proper enjoyment of the book.
