A how-to-draw book, with over 100 animals and objects!

Erotic memoir

Ladybugs, snails, and butterflies! Oh my! This charming introduction to ten garden bugs, paired with friendly text and bold, basic patterns, provides a great high-contrast experience for young developing eyes. Newborns cannot fully recognize colors, so the sharp contrast between black and white patterns and illustrations allows babies to follow along and make connections to the real world, an important building block for communication skills. Using simple greetings like "Hello, bumblebee" and "Good to see you, dragonfly" alongside black-and-white art by Julissa Mora, Hello, Garden Bugs is the perfect board book for babies just beginning to look around and learn about their world. Featured in Omnivoracious. Also available: Hello, Baby Animals and Hello, Ocean Friends. Coming soon: Hello, My World.

Includes five complete Mad Libs books in one collection with oversize pages that make it easy to play and share with friends The books included in this collection are: Unicorns, Mermaids, and Mad Libs; Dog Ate My Mad Libs; Meow Libs; Game Over Mad Libs; and Escape from Detention Mad Libs.

Adapted from Margareta Osborn's bestselling ebook novella A Bush Christmas, Rose River is a gloriously funny romantic comedy set in the beautiful Australian outback. Take one city girl - and drop her into the back of beyond... Housesitting in rural Burdekin's Gap, high up in the East Gippsland Mountains, is not an obvious career move for a PR executive like Jaime Hanrahan. But, hey, retrenchment is a kicker. Plus she's determined not to spend Christmas in Melbourne with her friends, who still have company cars and six-figure salaries, or with her mother, Blanche, who has remarried too soon after her father's death. However, it turns out that Burdekin's Gap is a little more remote than Jaime had anticipated, the house is in the middle of a cattle station, and the handsome manager, Stirling McEvoy, doesn't appreciate a new farmhand in Jimmy Choos and Sass & Bide cut-offs. Soon Jaime is fending off stampeding cows, town ladies wielding clipboards, sheep that think they are goats, nude sportsmen and one very neurotic cat. So why does she feel like she's falling in love . . . with the life, with the breathtaking landscape, and with one infuriating cowboy ...?

From the bridal veil, invitations, to the guest book, this book provides you with 21 step-by-step projects that are fun, affordable and surprisingly easy to make. Projects are designed with non-perishable materials so everything can be finished well in advance of the big day.

In today's world, we're constantly rushing from one thing to the next and are struggling with information overload. We're more disconnected from ourselves and our loved ones than ever before. Rediscover the joy of the simple things through the Danish concept of Hygge in The Cozy Life. This book will inspire you to slow down and enjoy life's cozy moments! * Learn about the Danish cultural phenomenon of Hygge, and the secret to why Denmark is consistently rated the happiest country in the world * Embrace the little things and take simplicity and minimalism up a notch * Add Hygge into every aspect of your life with practical examples and tips * Say goodbye to the Winter Blues and live a healthier, centred life This charming little book, filled with hand drawn illustrations, beautifully addresses that yearning we all have for a more authentic life, created by ourselves instead of external forces. What's stopping you from living a more meaningful and connected life?
