CIPP - International Association of Privacy Professionals

You'll gain an understanding of the European model for privacy enforcement, key privacy terminology and practical concepts governing the protection of personal data and trans-border data flows. This course is designed for anyone whose work is related to the processing of personal data, particularly those in the public sector and from EU institutions, agencies and bodies, including:

The Certified Information Privacy Manager (CIPM) is the world's first and only certification in privacy programme management. When you earn a CIPM, it shows that you know how to make a privacy programme work for your organisation. In other words, you're the go-to person for day-to-day operations when it comes to data protection.

The Certified Information Privacy Professional/United States (“CIPP/US”) examination is one of six exams administered by the International Association of Privacy Professionals (“IAPP”). The exam covers U.S. privacy laws and regulations, as well as the requirements for transferring personal information into and out of the United States.
