Books specifically for children existed by the 17th century. Before that, books were written mainly for adults – although some later became popular with children. In Europe, Gutenberg 's invention of the printing press around 1440 made possible mass production of books, though the first printed books were quite expensive and remained so for a long time.

Learning from your own mistakes. Moral tales became longer and often more sophisticated. Sarah Fielding 's The Governess (1749) was an early school story, but had a structure similar to Chaucer 's The Canterbury Tales, each of the schoolgirls giving an account of her own life then telling a moral story for the education of the whole class. ' An Adventure of Master Tommy Trusty and his ...
