Are you a children's ministry leader on the edge of burnout? Sustainable Children's Ministry shows you how to recruit volunteers, partner with parents, navigate politics, and care for your own soul instead of frantically scrambling to do it all yourself. This practical resource will help you build a ministry foundation that will still be standing long after you are gone.

Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters, but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they serve.ROGER MCNAMARA is a veteran pastor, missionary, and church planter with more than forty-six years of experience in local church ministry in Latin America and the United States. He has started and worked in half a dozen churches over the past four decades, and now serves as the Church Planting Training Specialist for Baptist Mid-Missions. In this capacity, he works with churches and church planters throughout the United States and Canada teaching, training, and mentoring church leaders. He also serves in a number of leadership positions within the Baptist Mid-Missions' TEAM NORTH AMERICA as well as the registrar for the School of Church Planting. He has published two other books and several leadership training manuals.

The Church Planter's Handbook is a step-by-step guide to starting and establishing independent Baptist churches that are self-supporting, self-governing and self-propagating. 49 Chapters including: Where to Begin, Personal Preparation, A Two Year Plan, Raising Support, The Startup Fund, Needs and Wants, Starting with a Team, Finding a Meeting Place, Bank Accounts, Insurance, Building a Prospect List, Preparing for Guests, The First Year, Organizing, Tax Exemption, Incorporation, A Soul-winning Program, Ministries in a New Church, The Missions Program, Plugging People In, Handling the Finances, New Church Recordkeeping, Bank Financing, Developing Standards, New Church Growth, The Church Planter's Family, Big Days and Special Days, Building Relationships, And more...

In this helpful booklet Victoria L. Johnson looks at the problem of childhood sexual abuse, why it is so damaging and what church leaders can do to help children from abuse. Market/Audience African Americans Church leaders Counselors and therapists Pastors Features and Benefits Appropriate for counselors, church leaders and parents Offers an African-American perspective Author is an experienced social services worker

This ten year anniversary edition of the bestselling Safe Sanctuaries series brings together-in one volume- the transformative and foundational information found in the Melton's previous two volumes. Safe Sanctuaries remains the only resource of its kind that offers the tools necessary to train leaders of the church to keep the children and youth safe. This volume is updated to include information on the growing concern around the internet and predators as well as a new section on vulnerable adults.

"Jimmy" joined the church a year ago. Before long, he volunteered to teach a Sunday School class and got to know eight-year-old "Peter." Things started innocently. A hug at the end of class. Gifts for Peter. Lots of extra attention. And then it happened. Jimmy took advantage of Peter. In On Guard, Deepak Reju examines why child predators target churches and offers eleven straightforward strategies to protect children from abuse and to help young victims recover if it does happen. While On Guard does provide practical help for building a child protection policy, it provides much more. Full of pastoral wisdom, On Guard recognizes that the church's response to abuse must be more comprehensive—in line with her calling—than a simple legal policy or clinical analysis. On Guard moves church staff and leaders beyond fearful awareness to prayerful preparedness with an actionable plan.
