There has never been a greater need for an Australian green consumer guide to help people make informed choices about the products they buy. Tanya Ha responds to the shift in public debate about climate change toward actively seeking solutions with a practical guide that encourages consumers to become informed, get involved and to vote with their dollar. Packed with answers—practical tips and advice to help the reader make a real difference in their own lives—The Australian Green Consumer Guide is an essential, non-judgmental guide to making more ecologically sound consumer choices, whether you are shopping for food or fashion, cars or white goods.

Consumer Guide takes the time to evaluate the goods most people buy most often--from camcorders to refrigerators to cars--ranking each product for durability, performance, efficiency, design, price, and value. As always, advertising is not accepted, so the reviewers are unbiased and accurate.

'Matt Allwright is my idol. As a comic I'm supposed to say something funny about this book, but actually it's legit useful, helpful advice, written compassionately and clearly. I can absolutely see this becoming my consumer bible. Wonderful stuff!' - JOE LYCETT 'Every scam, rogue trader or poor excuse for shoddy service...Watchdog's seen them all. And leading the troops is the consumer superhero who has faced and fought every dodgepot going. Our Matt always has your back, whether he's wearing his cape or not.' - STEPH MCGOVERN 'Finally! A book that puts all the info in one place AND makes it funny. Matt is the best at this - making difficult stuff easy to swallow so that we can fight our own corners when he isn't there to fight them for us.' - GABY ROSLIN Keep your money in your pocket. In Watchdog: The Consumer Survival Guide, Matt Allwright will help you to help yourself amid the minefield of modern consumer rights and fraudsters, offering practical advice on how to sidestep pitfalls in all areas of life. Each chapter is built around relatable hurdles we all face - renting a flat, buying a car, securing our online data, booking a dream holiday and much more. Packed with useful tips, myth busters and case studies, Watchdog: The Consumer Survival Guide will leave you feeling empowered and save you some pennies along the way.
