One thing is for sure, we still haven't found out everything in our habitat. There are still worlds waiting to be discovered and mysteries to unlock. And if you are one of the adventure-drunken gamer who loves mining, building houses, killing zombies, making potions, exploring new realms and more, then you must include Terarria in your game list.

Welcome to Terraria, a world like Minecraft's Overworld that's full of action and possibility. Unique treasures to horde, wondrous biomes to explore, intricate buildings to construct, and treacherous villains to fight await anyone daring and creative enough to seek fortune and glory in Terraria. Miles, a young hero setting out on his first quest, yearns to become Terraria's strongest hero—and when Matthew offers to adventure alongside him as his friend and personal guide, he's positive that the road to success is paved before them. Matthew tells Miles that to truly advance in the game, he must defeat the Wall of Flesh, so he sets his sights on that goal. But Miles is devastated when he learns that becoming powerful enough to defeat the Wall of Flesh will come at a high cost: Matthew will be destroyed, and he'll lose his best friend forever. Miles must make a decision: should he stay loyal to Matthew and set his own dreams aside, or sacrifice his closest friend for the chance to chart a life in an unknown territory and save his biome? In this first exciting installment in the Tales of a Terrarian Warrior series, every choice has the power to change the future, and turning back is never an option.

Miles likes being on his own, battling zombies and bats on his way to defeat The Destroyer. Then he meets Owen, new to hardmode, and looking to partner up with Miles. Owen is a really strong fighter, and Miles could actually win the Bucket of Bolts, by defeating the Destroyer AND Skeletron Prime and The Twins. They work well together...until shady Asher suddenly appears, wanting to join them too. And that's when things get tricky – and life-threatening. This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO.
