This book is a retrospective of the decentralization reform process in Sierra Leone from 2003-07. During this period, the Government of Sierra Leone (GoSL) reestablished elected district and urban councils across the country, transferred certain responsibilities for primary services and local investment and some financial resources to the new councils, and invested heavily in building the administrative infrastructure and capacity of the local councils.

Decentralization, Democracy, and Development contributes to the empirical literature on decentralization and the debate on whether it is a viable and desirable state-building strategy for post-conflict countries. This book is a collection of eight papers written by nine authors who were intimately involved in the complex decentralization reform process in Sierra Leone from 2003-07.
