## Diversity in U.S. Mass Media by Catherine A. Luther

Diversity in US Mass Media was conceived by one of its authors during the first semester in which she was teaching a course on “Media and Diversity” at her uni-versity. She perceived a need for a book that attempted to comprehensively cover the various areas associated with representations of diversity within the mass media.

## Diversity in U S Mass Media - AbeBooks

Emphasizing the Anglo-Protestant roots and their overall impact in shaping the core identity of the US, the political scientist, Samuel Huntington, in his book, *Who Are We?*, had pointed to the challenges of Hispanic migration to the US's core identity and values. He points out that mass migration to the southwest of the country would erode the national identity due to bilingualism ...

## Diversity and the US presidential elections - Telegraph India

"Cultural Diversity and the U.S. Media adds to the increasing body of scholarship in a vital area of interest and importance to the United States. The demographic shifts in the nation's population makes it imperative that media scholars and practitioners know more about this subject." -- Clint C. Wilson, II, Howard University
