Domestic tourism. Domestic tourism is travel within your own nation. For example, if a Canadian from Alberta decided to spend a few days at Niagara Falls, as you ' re staying in your own country of residence, this is domestic or internal tourism. The domestic tourism economy around the world is lucrative and has been boosted by the growing trend of staycations.

The difference between international and domestic tourism

Domestic and international tourism are two such types whose main difference is the type of tourists. Domestic tourism involves residents of one country traveling within that country

Access Free Domestic And International Tourism In A Globalized World

whereas international tourism involves tourists who are traveling to different countries. This is the key difference between domestic and international tourism.

Difference Between Domestic and International Tourism ...

Domestic tourism has greater scope in countries of large dimensions such as India as compared to smaller countries. From a geographical viewpoint, domestic tourism may range from local excursion, regional trips to national level travels. On the basis of purpose of tour or the motives of tourists, tourism is of three types, viz., (a) common interest tourism, (b) holiday tourism and (c) business tourism.

2 Types of Tourism: International and Domestic Tourism

When developed in a meaningful way, domestic tourism can sustainably complement international tourism with year-round tourism economic growth and development, he says. Similar stories of a better balance between domestic and international are emerging from destinations as diverse as Ghana, Luxembourg and Egypt.

Domestic and international tourism: learning to complement ...

The tourism sector and tourism research community focus mainly on international in- and outbound tourism volumes and expenditures. But international tourism is only one part and certainly in number of arrivals, domestic tourism is several times larger than international.

Domestic and International Tourism in a Globalized World

Access Free Domestic And International Tourism In A Globalized World

Of the 31 countries analysed for the WTTC report, domestic tourism accounted for half or more of total Travel and Tourism spending in 22. International tourism was most important in Thailand (around 80% of total spending) followed by Jamaica. Other countries in which international tourism makes up over half of the total spend include the major Mediterranean destinations of Spain and Turkey.

Domestic tourism: importance and impact

Domestic tourism refers to touring of a country for leisure and adventure by the residents of the country while international tourism is the visit of persons from one country to places of interest in another country.

What is the difference between domestic and international ...

Domestic tourism is tourism involving residents of one country traveling only within that country. A domestic holiday is a holiday (vacation) spent in the same country; this class may overlap with staycation (in British English), a vacation spent in the same region. This is different from inbound tourism. With the resurgence of the package holiday, research carried out by British travel agent Thomas Cook has identified that domestic holidays are not always a cost-effective means of holidaying.
