CONTROVERSESES is built around the goals of the National Standards and French thought (including point/counterpoint/synthesis), presents timely and provocative issues that are important to the French and francophone world, and is relevant to today's students. This student-centered, advanced intermediate French program is geared toward the communicative, analytical classroom. The high-interest topics and well-crafted activities presented in the text stimulate conversation and thoughtful debate in the classroom, foster students' conversational skills, and encourage students to learn and practice the language. Each chapter provides students with the opportunity to express themselves verbally and in writing while systematically addressing each of the 5 Cs. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Français écrit and Français parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the practical language section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Unites 3, 6, 9, and 11. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Entre amis is a performance-oriented program designed to expand students' interpersonal, interpretive, and presentational communicative skills by presenting and rehearsing situations similar to those they will encounter in real life. Based on a progressive approach, Entre amis features thorough coverage of all four-language skills with a strong emphasis on oral communication. The language presented and practiced is always embedded in a French cultural context. Strong listening comprehension support includes instructor modeling in the Prise de contact, the initial presentations in the Buts communicatifs; student-to-student negotiating of meaning in Information Gap Activities; as well as activities on the video and the lab audio. Streamlined grammar sequence offers early introduction of the verb aller, a clear explanation of the comparative and superlative, and an accessible presentation of the subjunctive. Process Writing Activities begin with a Début de rédaction activity in the Intégration, constituting the first step of the writing process, and culminate with the Rédaction in the corresponding chapter of the workbook, providing students with many opportunities to improve their presentational skills by sharing personal information and ideas in contextualized writing assignments. Readings with Strategies feature authentic selections accompanied by pre- and post- strategies. Culture presentations include 30 strategically placed cultural capsules that provide a systematic tour of the francophone world and intelligent discussions of many up-to-date social issues. Additional features include opportunities for self-testing, emphasis on active communication, and concise grammar explanations. Simultaneous development of text and workbook ensures that the content of the Cahier d'activités closely matches the content of the textbook.

The Quia Online Student Activities Manual (Cahier d'activités) is the electronic version of the printed form. It enables students to work in a convenient, engaging online format and receive immediate feedback for most exercises. In addition, students can link to the textbook web site for additional practice. The Quia program also includes the audio associated with the Lab Manual portion of the Student Activities Manual.
