False Accounting Defence - JMW Solicitors

Small businesses that do not have their accounts audited may be able to get away with it when seeking finance. Creating false sales will usually have the effect of increasing debtors. Alternatively, writing off good debtors at the end of a period creates an expense and lowers profits. You can simply write them back on when collected.

Common Financial Statement Frauds | Brisbane Chapter ACFE

The end goal of a for-profit most often would be maximizing profits and financial benefits for its owners and/or shareholders. The end goal of a non-profit should be ensuring that there are enough profits to continue making a difference. Also, they need to provide for the “greater good” of the community, nation, or the world. ...
