In a series of hilarious parodies, Sylvain Coissard and Alexis Lemoine answer the nagging questions of art history: what caused The Scream? Why is Van Gogh's Yellow Bedroom so suspiciously tidy? Why is Cezanne wearing a bandage in his famous self-portrait? This book is for anyone who wants to know what happened before the Mona Lisa smiled. Or, rather, what might have happened.

A new translation of Bassani's moving novel of childhood friendship and the unexpected loss of innocence The years lived since then have not, in the end, been of any use: I haven't managed to remedy the suffering which has remained there like a hidden wound, secretly bleeding. In the fourth book of the Romanzo di Ferrara cycle, Bassani paints a moving portrait of a 1930s childhood in which even the familiar classroom and playground dramas begin to reflect the sinister forces at work in fascist Italy. This powerful tale of friendship and rivalry in the face of the ever encroaching spectre of adulthood adds yet another intricate thread to Bassani's rich tapestry of his native city, Ferrara. 'Giorgio Bassani is one of the great witnesses of this century, and one of its great artists' Guardian 'Powerful new translations . . . Bassani began as a poet, and McKendrick's redelivery of this taut uncompromising fiction reveals resonance and generosity' Ali Smith

NEW YORK TIMES BESTSELLER ▯ "The definitive biography for decades to come."—Leo Jansen, curator, the Van Gogh Museum, and co-editor of Vincent van Gogh: The Complete Letters Steven Naifeh and Gregory White Smith, who galvanized readers with their Pulitzer Prize–winning biography of Jackson Pollock, have written another tour de force—an exquisitely detailed, compellingly readable portrait of Vincent van Gogh. Working with the full cooperation of the Van Gogh Museum in Amsterdam, Naifeh and Smith have accessed a wealth of previously untapped materials to bring a crucial understanding to the larger-than-life mythology of this great artist: his early struggles to find his place in the world; his intense relationship with his brother Theo; and his move to Provence, where he painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh's inner world: his erratic and tumultuous romantic life; his bouts of depression and mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious, ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity that bring a completely new and sympathetic understanding to this unique artistic genius. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review ▯ The Washington Post ▯ The Wall Street Journal ▯ San Francisco Chronicle ▯ NPR ▯ The Economist ▯ Newsday ▯ BookReporter "In their magisterial new biography, Van Gogh: The Life, Steven Naifeh and Gregory White Smith provide a guided tour through the personal world and work of that Dutch painter, shining a bright light on the evolution of his art. . . . . What [the authors] capture so powerfully is Van Gogh's extraordinary will to learn, to persevere against the odds."—Michiko Kakutani, The New York Times "Brilliant . . . Steven Naifeh and Gregory White Smith are the big-game hunters of modern art history. . . . . [Van Gogh] rushes along on a tide of research. . . . At once a model of scholarship and an emotive, pacy chunk of hagiography."—Martin Herbert, The Daily Telegraph (London)

Discusses art techniques and presents instructions for more than one hundred art projects, with information on such topics as brushes, paper, media, wax resist, collage, and shading.

The French writer Nicolas Bourriaud discusses how, since the early nineties, an ever increasing number of artworks have been created on the basis of preexisting works; more and more artists interpret, reproduce, re-exhibit, or use works made by others or available cultural products. This art of postproduction seems to respond to the proliferating chaos of global culture in the information age, which is characterized by an increase in the supply of works and the art worlds annexation of forms ignored or disdained until now. First published in 2002, this 2nd edition contains a new foreword where the author reflects on how the art of postproduction developed over the last couple of years.Nicolas Bourriaud is the co-director of the Palais de Tokyo in Paris. His previous books include Lère tertiaire (Flammarion), Esthétique relationnelle (Presses du réel), and Formes de vie (Denoël).
