Patora Fuyuhara is a Japanese author best known for the series In Another World With My Smartphone. Eiji Usatsuka is a Japanese artist best known for the series In Another World With My Smartphone and The Familiar of Zero. --This text refers to the paperback edition.

Touya may be back from his honeymoon, but love's still lingering in the air! Will poor Endymion cope with being part of an alien ménage à quatre? Who else might need to be matchmade in the wide open world? With the deal sealed on his own romances, Touya's finally free to stick his nose into the love lives of those around him... but at what cost? Meanwhile, a ripple and quake begin to rip through time, revealing the silhouettes of a far-flung future. Just what... or who... may emerge from the rift? Find out in this riveting tale of swords, sorcery, and progeny!

After a series of troubling events, Mochizuki Touya takes some much-needed downtime. The fate of two worlds still hangs in the balance, he needs to secure more allies in the Reverse World, and Yula and the wicked god continue their dark machinations in the background, but that doesn't mean that our hero can't take a little time for romance and relaxation. But unbeknownst to our crew, another god may have set his eyes on the mortal realm... Lovers waltz and blades clash, unveiling a story of swords, sorcery, and fun in the sun!

After Touya Mochizuki is struck down by a poorly aimed divine bolt of lightning, God wants to make it up to him by giving him a new life in an unfamiliar world! And to sweeten the deal, Touya even gets to take his phone with him! Not only does he receive a huge boost to his physical and magical abilities, he's now got a ton of info about his new home at his fingertips. With his trusty smartphone in hand, he sets off for the nearest town to begin his adventure!

Put on your thinking caps for a tale of swords, sorcery, and custom-built mechatronics! Mochizuki Touya continues his work as grand duke of Brunhild. He's the proud inheritor of the (almost) complete Babylon Islands, the mighty master of the Frame Gear Mechs, and a slowly flowering bud of divine power, but that doesn't mean he has any room to relax! The time has come for answers! A new threat emerges within the Roadmare Union! But can Touya convince the mighty doge that his Frame Gears are the right method to deal with the oncoming danger? Just who is the enigmatic Ende, and what does he have to do with the crystal creatures that so recklessly bring the world closer to despair? Just what is the secret of Touya's divinity?

Mochizuki Touya carries on his carefree life in another world, the looming birth of a wicked god and the peculiar behavior of the intelligent Phrase are no reason for him to panic! A distress call from a mysterious island forces him to jump into action, but what he discovers there may very well flip his entire world upside down... Pass through the open door to find a tale of swords, sorcery, and ancient legacies of antiquated mystery!

Mochizuki Touya has no time to rest. The fate of two worlds hang in the balance, after all. The Metal Devils, guided by Yula and seemingly supported by two mysterious twins, are on the rampage... They've mercilessly targeted the souls of people in both the world Touya knows, and the Reverse World! Armed with his new Frame Gear, Reginleif, will Touya be able to stop the malignant machinations of a wicked god? Fissures in space begin to crack, revealing a story of swords, sorcery, and a corrupted knight!

Once the timequake starts, it doesn't stop! Right when poor Touya's adjusting to being a dad, he's bombarded with more children! What kind of mischief will these time-travelling tykes get into next...? And what dark machinations might unfurl while our hapless hero is distracted with paternal precautions? Keep on reading for a story of swords, sorcery, and parental peril!

It's time for the Duchy of Brunhild to host a national festival, and Mochizuki Touya is smack-bang in the middle. World leaders are in attendance, nobility, traveling adventurers... And even God himself has seen fit to grace the mortal realm with his presence. What will Touya do when the big man upstairs comes downstairs for a change? More importantly, will he have enough dessert?! Meanwhile, in the Reverse World, tragedy strikes... An unusual purple Golem surfaces alongside a strange, depraved woman... Their actions paint an otherwise calm marketplace deep crimson... Put on your party hats for a tale of swords, sorcery, and tasty snacks!

The time has come for the showdown against the wicked god. There's just one problem... Touya and company need to purify the venom surrounding Isengard first! But fret not, Uncle Kousuke is here to help. He just needs a little assistance nurturing a very special sapling. Meanwhile, Touya thinks back to Earth and finds his thoughts returning to the family he left behind. The final battle begins at last, ringing in a story of swords, sorcery, and very unhelpful Unicorns.

The newly-crowned 16-year-old Grand Duke of Brunhild, Mochizuki Touya, is just starting to get the hang of managing a nation. What better way to christen his Duchy than to host a party with all the other royals in the region? Laughter! Fun! Pinball! But it's not all fun and games, Touya's search to uncover the truth behind the Phrase and Babylon bring him to the depths of the darkest forests, and the caps of the snowiest mountains. Not only that, but new territory means new responsibilities, and soon enough the eyes of the Vatican fall upon him. "Blasphemy!" they scream, "God is no old man, he is a magnificent being of light!" How will Touya react when even the Pope challenges the honor of the old man that gave him a new lease on life. The bells toll for a riveting tale of swords, sorcery, and... savage tribals?!
