**Instructions For Use Pediatric Symptom Checklist**

The Pediatric Symptom Checklist (PSC) is a brief questionnaire that helps identify and assess changes in emotional and behavioral problems in children. The PSC covers a broad range of emotional and behavioral problems and is meant to provide an assessment of psychosocial functioning. In addition to the original 35-item parent-reported questionnaire, there are translations into more than two dozen other languages, a youth self-report, a pictorial version and a shorter 17-item version for both ...
