Storm, Aurora, and Anything Eden live in a decaying mansion on the edge of the wilds with their erstwhile father and indolent mother. Taking inspiration from numerous fairytales and weaving them into a wholly original story, Into the Woods is a whirlwind of a novel, full of imaginative happenings and dastardly deeds.

The Eden sisters are lured to the fair by Belladonna, a witch who wants Aurora's heart and Stormy's powerful musical pipe.

The Swan Academy is under threat from closure due to a building development next door. Into this tense atmosphere come Cosmo and Cosmina, the famous singing/acting twins from Hollywood. They are starring in Peter Pan and are learning to fly! A series of mysterious accidents in the theatre threaten to close the production. Who is out to sabotage everything...and why?

Rose was left by her mother at the door of Champion's Palace of Variety and Wonders as a baby. It is her home, and she loves it, but she never stops wondering who she really is. When murder threatens to destroy the music hall, Rose will need all her performance skills to crack the crime and delve into a murky past of blackmail, subterfuge and abduction...

Olivia is sad and lonely and angry -- angry that she's been dumped with her sister eel at her grandmother's school, and angrier still that that school turns out to be a stage school where there's no encouragement for her to do what she loves best: practice her circus skills.

Jack Marvell's latest stunt is to stay on a high-wire for thirty days and nights. Olivia is worried for her father, but very proud of him. Then the rumours start, claiming that Jack's cheating. Olivia must give her all to her role in A Midsummer Night's Dream, and also prove to the world that her father is no fraudster...

Olivia and her friends are auditioning for a production of 'Romeo and Juliet' in the West End. It makes Olivia realise just how much she wants to be an actress, like her mum was. But her father asks her to perform with him in a high-wire stunt instead. How can she choose between her parents? And love is in the air at the Swan School of Theatre and Dance. But when the curtain falls, will everyone get their fairytale happy ending?

It's winter at the Swan Academy, and that means that it's panto time! But while Olivia practises being the back end of a horse, everyone else is auditioning for a major new movie. Soon the school is full of rivalry and suspicion, nasty tricks and strange mysteries. To lighten the mood, Eel organises a festive ice-skating trip. But, as the skaters twirl and leap among the twinkling lights, Olivia realises that the season of goodwill is anything but...

Ocean's Eleven meets The False Prince in this thrilling heist story for young readers, in which five kids with unusual talents are brought together to commit an impossible crime. Failure is unacceptable ... but success could be deadly. From the bestselling author of the Blackthorn Key series, this magic-infused fantasy brings together a ragtag group of kids to pull off a crime so difficult, countless adults have already tried and failed. Lured by the promise of more money than they've ever dreamed of, five young criminals are hired to steal a heavily guarded treasure from the most powerful sorcerer in the city. There's Callan the con artist, Meriel the expert at acrobatics (and knives!), Gareth the researcher, Lachlan who can obtain anything, and Foxtail, whose mysterious eyeless mask doesn't hinder her ability to climb walls like a spider. Though their shadowy backgrounds mean that they've never trusted anyone but themselves, the five must learn to rely on each other in order to get the job done. But as Callan has been warned most of his life, it's best to stay away from magic. It can turn on you at any moment, and make you think you're the one running the con game, when in reality you're the one being fooled. Faced with these unsurmountable odds, can the friends pull off this legendary heist, or has their luck finally run out?
