PLAY AND WIN CONSISTENTLY IN THE FASTEST GAME IN TOWN Day trading might seem too complex and fast paced for you—but when you break it all down, you'll discover that at its core is a stable, simple set of rules that anyone can learn. All About Day Trading covers all aspects of the subject, explaining how day trading works, how it fits into the larger world of the financial markets, and how to navigate its hazards. It takes you through the fundamentals and then moves on to more advanced topics—providing a fully rounded outline that will get you going in no time. Avoiding the complicated language and nebulous theories of other day-trading books, All About Day Trading teaches you how to:

- Avoid common psychological pitfalls of day trading
- Construct and test your own powerful day-trading system
- Track news events to improve your day-in, day-out profit potential
- Trade successfully with moving averages, momentum, gaps, and more

THE BOOK DAY TRADERS RELY ON TO CAPTURE PROFITS AND LOWER RISK Since The Compleat Day Trader was first published, the tools available to day traders have become incomparably more efficient and effective, thereby dramatically increasing your chances of success. On the flip side, day trading is much riskier and faster paced than ever before. Staying current isn't an option for the serious day trader--it's an absolute necessity. Jake Bernstein has revamped his bestselling guide, The Compleat Day Trader, to bring you fully up to date on his trading model, methods, and indicators, all of which are designed to help you take

Day trading is difficult. The path is fraught with risk. But a pot of gold awaits those who learn their lessons well. After four decades in the markets as a trader, analyst, author, educator, and system developer, Jacob Bernstein sets down a comprehensive guide to the art of day trading. You will learn: New day trading methods Order entry strategies How to avoid costly errors when using electronic trading platforms Detailed strategies to maximize profits With this book, readers will have the complete guide they need to profit from this risky but exciting field. Trading profits are just a day away.

A solid foundation for those looking to succeed in today's market An excellent book for new traders, 30 Days to Market Mastery outlines an easy-to-understand and easy-to-implement approach to learning how to trade. This book covers the fundamentals of how to structure trades in a disciplined fashion, so as to avoid vague decisions and acting on unclear trading signals. It also provides a number of strategies for entering and exiting the market in a way that maximizes the chances of making money and minimizes the potential for losing money. With this book as their guide, readers will learn the proper organizational, analytical, and behavioral skills that are vital to consistent success in trading. In 30 Days to Market Mastery each trading day contains a single lesson, and each lesson contains a quiz to help the reader master the material.

The Compleat Day Trader II picks up where the Compleat Day Trader left off. Bernstein provides new trading strategies and techniques specifically designed for the new breed of "intuitive" traders, who create their own system, customized for their own trading styles and areas of effectiveness. The

Download Ebook Jake Bernstein All About Day Trading Slibforyou

Compleat Day Trader II includes the most up to date strategies and systems for seizing hold of day trading success, including: A separate chapter detailing each system and method; Indicator formulas and system codes; The psychology of day trading.

Shows how to identify and correct the psychological and emotional stumbling blocks to investment success. Based on the author's extensive experience and the premise that self knowledge and self discipline are the keys to successful investing. Explains how to determine one's IQ (investor's quotient), how to maximize one's strengths and minimize one's weaknesses, symptoms of positive and negative attitudes, the role of fear and greed, the client-broker relationship, etc. Includes checklists, schedules, tables, questionnaires, and other aids.

The futures market is a lucrative trading area but as a topic it presents certain complexities. This updated work covers the subject in an easily-accessible format.
