"Blow Your Mind" is the third overall single to be released from British funk/acid jazz band Jamiroquai's debut studio album, Emergency on Planet Earth. The single was released on 24 May 1993 on Sony Soho Square in the United Kingdom and 1 July 1993 on Epic Records in Japan, peaking at #12 on the UK Singles Chart.

Jamie – die exklusive Biografie. Jamie Oliver fing seine Karriere in der Küche des familieneigenen Pubs in der Nähe von Cambridge an. Nach Abschluss der Schule ging er nach London, wo er wenig später im angesagten Restaurant von Gennaro Contaldo arbeitete – zusammen mit einem gewissen Tim Mälzer. Sehr bald wurde er für das Fernsehen entdeckt und hatte bereits mit Ende 20 seine eigene Kochsendung, The Naked Chef. Doch Jamie Oliver engagiert sich auch sozial. Unter anderem lag und liegt ihm sehr viel daran, Kindern und Familien den Wert von gesundem Essen zu vermitteln. Er hat die Schulküchen in England reformiert und die Regierung dazu gebracht, den Schulen für eine verbesserte Verpflegung zusätzlich über 200 Millionen Pfund zur Verfügung zu stellen. Rose Winterbottom hat alle Details aus dem Leben und Wirken von Jamie Olivers Leben zusammengetragen und eine unterhaltsame Biografie geschrieben, die ein intimes Porträt von Jamie Oliver zeichnet. Wer ist der Mann hinter dem Gutmenschen? Was motiviert ihn? Welche Pläne hat er? Ein perfektes Geschenk, nicht nur für Fans oder Hobbyköche!

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller The Way I Am Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In The Way I Am, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, The Way I Am has been hailed as "fascinating," "compelling," and "candid."

From the longest-serving music columnist online comes this comprehensive account of the Top 40 hit singles of 1989. Every artist to land a hit single during the year is documented and every one of their hits is catalogued. A full account of who made the charts, when, and most importantly why. The year which saw Soul II Soul come to prominence, although so did Jive Bunny. The year that unearthed Lisa Stansfield but also Sonia. And the year which began with a star from the sixties at the top of the charts and ended with the Stone Roses and Happy Mondays poised to change the world. The essential guide to a fascinating year in pop music, and the perfect reference book for any self-respecting 80s music fan.

Foreword by Ben Stiller Afterword by Perry Farrell Jewish achievement in the sciences? Celebrated. Jews in literature? Lionized. But until now, there's been no record of the massive contributions of Jews in Rock n' Roll. Jews Who Rock features 100 top Jewish rockers, from Bob Dylan to Adam Horowitz, Courtney Love (yes, she's half Jewish) to John Zorn, with a concise page of essential data and a biography of each one. Includes the complete lyrics to "The Chanukah Song" by Adam Sandler

In this prequel to the bestselling Tour:Smart, label owner, speaker, entrepreneur, drummer, and producer Martin Atkins has collected advice and contributions from more than 200 industry professionals covering everything a person needs to know about being in a band and succeeding on their own terms. Topics range from starting and naming a new band, recording, packaging, social media, local scenes, event management, and more. The book's illustrations and highly readable, down-to-earth style make it essential for any artist in any genre.

'A compelling and wry narrative of one of the most intellectually thrilling eras of British history' Guardian. ***** England, 1651. Oliver Cromwell has defeated his royalist opponents in two civil wars, executed the Stuart king Charles I, laid waste to Ireland, and crushed the late king's son and his Scottish allies. He is master of Britain and Ireland. But Parliament, divided between moderates, republicans and Puritans of uncompromisingly millenarian hue, is faction-ridden and disputatious. By the end of 1653, Cromwell has become 'Lord Protector'. Seeking dragons for an elect Protestant nation to slay, he launches an ambitious 'Western Design' against Spain's empire in the New World. When an amphibious assault on the Caribbean island of Hispaniola in 1655 proves a disaster, a shaken Cromwell is convinced that God is punishing England for its sinfulness. But the imposition of the rule of the Major-Generals – bureaucrats with a penchant for closing alehouses – backfires spectacularly. Sectarianism and fundamentalism run riot. Radicals and royalists join together in conspiracy. The only way out seems to be a return to a Parliament presided over by a king. But will Cromwell accept the crown? Paul Lay narrates in entertaining but always rigorous fashion the story of England's first and only experiment with republican government: he brings the feeble world of Oliver Cromwell's Protectorate to life, providing vivid portraits of the extraordinary individuals who inhabited it and capturing its dissonant cacophony of political and religious voices. ***** Reviews: 'Briskly paced and elegantly written, Providence Lost provides us with a first-class ticket to this Cromwellian world of achievement, paradox and contradiction. Few guides take us so directly, or so sympathetically, into the imaginative worlds of that tumultuous decade' John Adamson, The Times. 'Providence Lost is a learned, lucid, wry and compelling narrative of the 1650s as well as a sensitive portrayal of a man unrelieved by providence' Jessie Childs, Guardian.

"An utterly satisfying examination of the business of popular music." –Nathaniel Rich, The Atlantic There's a reason today's ubiquitous pop hits are so hard to ignore—they're designed that way. The Song Machine goes behind the scenes to offer an insider's look at the global hit factories manufacturing the songs that have everyone hooked. Full of vivid, unexpected characters—alongside industry heavy-hitters like Katy Perry, Rihanna, Max Martin, and Ester Dean—this fascinating journey into the strange world of pop music reveals how a new approach to crafting smash hits is transforming marketing, technology, and even listeners' brains. You'll never think about music the same way again. A Wall Street Journal Best Business Book

The blind Country and Western singer recounts his difficult childhood, describes the highlights of his professional career, and discusses the people and events that contributed to his success

Celebrates funk music using biographies of such musicians as James Brown and George Clinton, and provides descriptions of the genre, historical perspectives, and the story behind the "death of funk" following the introduction of disco.

'The Babes in the Wood' is the classic English folklore tale, about two young orphans who end up in the care of their uncle. He is a devious man, and is determined to get his hands on the children's inheritance. He is willing to go through drastic measures to get it - even hiring murderers to take out his niece and nephew. The children are forced into the wild, deep woods, where they meet their untimely fate. The book is beautifully illustrated by Randolph Caldecott, one of the finest children book illustrators of all time.
