[Book] Java Final Exams And Answer

Final Exam The final exam for previous CS 161 Java classes consisted of approximately 50 questions on various aspects of programming and Java. I intend to make the final for this session similar, but the questions for this session will be derived more closely from the material presented in the textbook and class. Things to note:

Final Exam - George Mason University

The nature of the final exam questions will be largely different from what you'll encounter in the certification exam. The final exam will mostly ask questions about how you implemented your lab
