Ballard's characters are obsessed with car crashes and the way in which the human body and mind are forever altered by the experience. There is an obsession with scarring, with wounds, with broken bones and torn flesh, with body fluids and the way violent impact can force them from us.

Ballard identified his influences as being in the surrealist tradition, and befriended avant garde artists such as Eduardo Paolozzi. In 1970, he staged an exhibition of crashed cars in a London gallery; this led to his 1973 novel Crash, an exploration of the eroticism of automobile accidents.

~~JG Ballard | Books | The Guardian~~
Ballard is a magician with the English language and Crash is a first class spell in the syntax department. The first thing that is noticeable, of course, is the sickeningly gory descriptions of car crashes, wounds and... sex. Chins will hit the floor over the sheer magnitude of blood and sex within these pages.
