A criminal case may be decided in a civil court if that court is a secular rather than a religious one or is the court of a continental legal system, such as that of France. But a civil court in the first sense, such as the Chancery Division of the High Court, is not going to hold a murder trial; instead, such a case would be heard in a criminal court, eg the Crown Court.

~~English legal system legal definition of English legal system~~
England and Wales has a common law legal system, which has been established by the subject matter heard in earlier cases and so is the law created by judges. It originated during the reign of King Henry II (1154-89), when many local customary laws were replaced by new national ones, which applied to all and were thus "common to all".
