Lies We Tell Ourselves is a phenomenal story of two high-school seniors experiencing desegregation for the first time in their Virginia school. The story provides no easy solutions; instead, it offers a solid and responsible ending that leaves hope for both girls to find a better future, while indicating that there is still much left for us to do.

~~Lies We Tell Ourselves - Robin Talley~~

We lie to ourselves when we continue believing that we are not loveable or that no one will ever love us. We lie to ourselves when we believe that our current reality is all there will ever be for us. We lie to ourselves when we tell ourselves that we cannot ever achieve x, y, or z because of the sh*t we endured as children. We lie to ourselves when we perpetuate the myth that we are beyond help. The truth is—it's okay to be gentle with yourself.
