From Beth Kobliner, the author of the bestselling personal finance bible "Get a Financial Life" a new, must-have guide showing parents how to teach their children (from toddlers to young adults) to manage money in a smart way.

The New York Times bestseller that is a must-read for any parent! From Beth Kobliner, the author of the bestselling personal finance bible Get a Financial Life—a new, must-have guide showing parents how to teach their children (from toddlers to young adults) to manage money in a smart way. Many of us think we can have the " money talk, " when our kids are old enough to get it...which won ' t be for years, right! But get this: Research shows that even preschoolers can understand basic money concepts, and a study from Cambridge University confirmed that basic money habits are formed by the age of seven. Oh, and research shows the number one influence on kids ' financial behaviors is mom and dad. Clearly, we can ' t afford to wait. Make Your Kid a Money Genius (Even If You ' re Not) is a jargon-free, step-by-step guide to help parents of all income levels teach their kids—from ages three to twenty-three—about money. It turns out the key to raising a money genius isn ' t to teach that four quarters equal a dollar or how to pick a stock. Instead, it ' s about instilling values that have been proven to make people successful—not just financially, but in life: delaying gratification, working hard, living within your means, getting a good education, and acting generously toward others. More specifically, you ' ll learn why allowance isn ' t the Holy Grail when teaching your kid to handle money, and why after-school jobs aren ' t always the answer either. You ' ll discover the right age to give your kid a credit card, and learn why doling out a wad of cash can actually be a good parenting move. You don ' t need to be a money genius to make your kid a money genius. Regardless of your comfort level with finance—or your family ' s income—this charming and fun book is an essential guide for passing along enduring financial principles, making your kids wise beyond their years—and peers—when it comes to money.

A step-by-step program that shows parents what to do at each stage of a child ' s life to provide wealth for the next generation. If you're like most parents, you know that you should start saving for your children's future but you're just not sure where to begin. Whether you earn six dollars an hour or six figures a year, Make Your Kid a Millionaire helps your kids acquire everything that more money can provide: Time. Knowledge. Security. Stability. And it will grant you the peace of mind that comes with supplying your children with a financial head start.

Explores the concept of money and illustrates several ways to earn money.

From acclaimed and award-winning financial adviser Ric Edelman comes a modern-day fable in the spirit of The Ant and the Grasshopper that teaches kids—and their parents—the value of spending money, saving for the future, and giving to charity. Financial habits form early. Children learn by observing a parent ' s behavior and through their own experiences. That ' s why it ' s important to make sure your children are treating money the right way. From allowances and birthday money to cash they ' ll one day earn babysitting or mowing lawns, The Squirrel Manifesto provides a platform to set your children on the path to a lifetime of fiscal responsibility. Just as a squirrel gathers nuts to prepare for the winter—eating some now and storing some for later—kids can learn the value of money by spending some of their allowance now and saving the rest for later using animals as examples.

In Smart Money Smart Kids, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

Imagine your kid being 18, having enough money to pay for their college education, living on their own, and having the car of their dreams. Hey, my name is Caleb Maddix and for a while I thought this was impossible, until I had a life changing experience. I was over at my friends house, and we were on the couch hanging out. But than, his friends mom walked up to him, and handed him a piece of paper. I looked at it, and realized that it was a TWENTY DOLLAR BILL! I asked him how he got the \$20, and he said that he did something called "chores." Everytime he threw out the trash, or cleaned up his room, he got \$20. I felt SCAMMED, and ran home, asking my dad if I could be paid to do chores. And he said... NO! I was shocked! Didn't he want me to have good work ethic? Didn't he want me to grow up and be self sufficient? He said however, that he would pay me \$20 for every single SUCCESS BOOK that I read. So I started reading different success books, and before you knew it I started making money from what I learned in the books. And as soon as this happened, I realized IT IS possible to make money as a kid.. After using all that I have learned, and literally becoming a self made millionaire by age 16 I decided to write a book for kids teaching them how to do the same.

Shows parents that teaching and learning can happen when they do simple things together that make the most of their child's natural curiosity and show that learning is fun and important. This will encourage the child to study, learn, and stay in school.
