Products in this market, which are mainly securities are traded mostly in long-term. Functions Of The Nigerian Capital Market

10 Functions of the Nigerian Capital Market

Equity markets tend to decline in periods of recession and Nigeria is no exception. Equity capital markets unlike bond markets, tend to bear the initial brunt of a recession, as seen in the absence of IPOs and FOs in 2016. However, we expect to see activity pick up in the equity capital markets in 2017 as the Naira begins to stabilize, investors regain confidence, and issuers who paused their ...
