Night Falls On Ardnamurchan The
SINCE ITS FIRST PUBLICATION in 1984, Night Falls in Ardnamurchan has become a classic account of the life and death of a Highland community. The author weaves his own humorous and perceptive account of crofting with extracts from his father's journal - a terse, factual and down to earth vision of the day-to-day tasks of crofting life.

"Night falls on Ardnamurchan is a classic account of the life and death of a Highland community. Weaving his own humorous and perceptive account of making a living from the land with extracts from his father's journal -- a terse, factual and down-to-earth vision of the day-to-day tasks of crofting life -- Alasdair Maclean creates an unusual and memorable story. At the same time this moving and beautifully-written book also illuminates the shifting, often tortuous relationships between children and their parents, revealing the author's own struggle to come to terms with his background and the isolated community he left so

Religion is at the very core of Scotland's turbulent, action-packed history and its unique cultural heritage. Indeed, you could argue that Scotland has been, for most of the past 1600 years, an intensely religious country. It is home to some of the most significant early Christian art anywhere in the entire world, and has an amazing 53 cathedrals. In a fast-paced and enthralling epic celebration of Scotland's spiritual heritage, this amazing voyage of discovery reveals that there are echoes of the upsides and downsides of religion everywhere. The distinctive spiritual beauty of Scotland is inspiring and to be found in

Read Book Night Falls On Ardnamurchan The Twilight

Of A Cruel Family. The most unexpected places. The author also casts a canny eye over some ever-controversial issues such as witchcraft, sectarianism, the Clearances and the Disruption. Other topics include the Isles, literature, the differences between Edinburgh and Glasgow, Calvinism, Margaret Thatcher, the Declaration of Arbroath, The National Covenant, church buildings, special spiritual sites, spiritual leaders, kings and queens, little-known influential women, religious revivals, Celtic Christianity - and many other elements of the diverse essence of spiritual Scotland. Scotland's Christianity always mixed with politics and was a key part of our national identity....until now, that is. Now Scotland is an apparently secular country, often oblivious to its Christian foundations. Can Christianity be

As a writer, Carlo Levi has had the misfortune to be known as the author of one book, *Christ Stopped at Eboli*, the account of his years of internal banishment by the Fascist authorities to a remote village in the south of Italy. That book was recognised as a masterpiece of anti-Fascist literature and as a sensitive investigation of the way of life of a people at the margins of European civilisation. It enjoyed enormous success in the post-war period not only in Italy but also in Britain and the USA, and has been continuously in print since its first publication. However, Levi was also a painter of some repute, a novelist, a journalist, a critic of art and society, a political commentator, and above all, a wholly idiosyncratic travel writer whose

Of a Crossing Family

reports on the countries and regions he visited, including Sicily, Sardinia, Germany, the USSR and India, were also reflections on Italy. This book attempts to assess the totality of Levi's achievement. Come scrittore, Carlo Levi ha avuto la sfortuna di essere celebrato come autore di un libro solo, Cristo si è fermato ad Eboli, la narrativa dei suoi anni di confino nel Mezzogiorno sotto il regime fascista. Sin dal momento della sua pubblicazione nel primo dopoguerra, questo libro è stato riconosciuto come capolavoro della letteratura anti-fascista e come indagine penetrante della cultura di un popolo ai margini della civiltà europea. Comunque, Levi fu anche pittore di grande talento, romanziere, critico d'arte, critico della società, commentatore politico e viaggiatore-scrittore di libri di viaggi sui

Of A Cruising Family
generis. I suoi articoli, che poi divennero libri, sui paesi e sulle regioni che visitò - la Sicilia, la Sardegna, la Germania e l'India - si rivelarono anche riflessioni sulla condizione dell'Italia. Questa raccolta di saggi è una rivalutazione della totalità delle opere di Carlo Levi.

The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland's literature, covering a period from the earliest times to the early 1990s. It includes over 600 essays on the lives and works of the principal poets, novelists, dramatists critics and men and women of letters who have written in English, Scots or Gaelic. Thus, as well as such major writers as Robert Henryson, William Dunbar, Gavin Douglas, Allan Ramsay, Robert

Read Book Night Falls On Ardnamurchan The Twilight

Fergusson, Robert Burns, Walter Scott, Robert Louis Stevenson and Hugh MacDiarmid, the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature. Also included here are entries on the lives of other more peripheral writers such as historians, philosophers, diarists and divines whose work has made a contribution to Scottish letters. Other essays range over such general subjects as the principal work of major writers, literary movements, historical events, the world of printing and publishing, folklore, journalism, drama and Gaelic. A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works. This comprehensive guide is an essential tool for the serious student of

Read Book Night Falls On Ardnamurchan The Twilight

Scottish literature as well as being an ideal guide and companion for the general reader.

From Treasure Island to Trainspotting, Scotland's rich literary tradition has influenced writing across centuries and cultures far beyond its borders. Here, for the first time, is a single volume presenting the glories of fifteen centuries of Scottish literature. This is a marvelous and lively literary history that will appeal to general readers, Scots, and travelers alike.

Selected for the pleasure and interest they offer these 400 or so poems from more than 150 poets span the entire century. While the major figures - MacDiarmid pre-eminently, and others such as Norman MacCaig, Iain Crichton Smith, and George Mackay

Read Book Night Falls On Ardnamurchan The Twilight

Brown - are generously represented, there are many other voices, from the master balladeer of the Yukon, Robert Service, to the internationally-known psychiatrist R D Laing, the distinguished economist Sir Alec Cairncross, and the troubled but deeply eloquent Rayne Mackinnon. Women are given due prominence. Readers unfamiliar with Helen Adam will experience a frisson at the sexual tensions of her ballad-poems while Naomi Mitchison reveals her intimate self. The admirable Marion Angus, Violet Jacob, and Helen B Cruickshank show their talents, while contemporary poets Liz Lochhead, Carol Ann Duffy, Janet Paisley, Jackie Kay, and many others, are well represented. In a century of unprecedented change, the poems also act as a commentary on their

Read Book Night Falls On Ardnamurchan The Twilight

times - and Scotland's war poets such as Charles Hamilton Sorley and Hamish Henderson, with their anger and eloquence, are included. With its lively engagement with the real world as well as the world of private creativity, this anthology will contribute to an ongoing sense of Scottish cultural identity.

Key Features*

Includes more than 400 poems (compared to the 300 in the Faber volume)* Represents more than 150 poets (compared to the 70 or so in the Faber volume)* EUP's anthology spans the entire 20th century (while the Faber volume was published in the early 1990s)* The EUP volume includes more women poets than the Faber volume * The EUP volume is alphabetically arranged for ease of use (compared to the chronological arrangement of the Faber volume)*
