Alpha World. All he has to do is sign away his legal rights and sign an NDA. Now exploring Alpha World, Seamus becomes the Summoner Alburet. Follow Alburet on his journey of exploration and questing in the latest game to hit the market. He will summon demons, befriend players and NPCs alike all while trying to find a little happiness in his life. He's the first gamer to be sentenced to life imprisonment in a virtual world. What could go wrong? (This book contains some adult themes, this was suggested by a few readers and I listen to those who have enjoyed my work.)

Living in LA and dating celebrities wasn't what it was cracked up to be. I found out the hard way many had a lifestyle I wanted no part of. Then David Taylor forced his way into my life. A sledge hammer breaking down my well crafted walls. He was gorgeous and sexy and intimidating. I was drawn to him in a way I had never been to anyone or anything. And I knew I couldn't have him, I was too damaged, too flawed to really connect. David saw what I was from the beginning. A broken scared girl locked away inside an aloof woman. And he was determined to free me. To make me his.

My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under

pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

Fresh from the success of capturing Gwain's Keep, Alpha Company is in high spirits. Flush with coin, everyone is eager to get better gear and see what new zones they can go fight in. Not everything is roses though, as the first testing phase is about to come to an end. A number of those who ventured forth with the guild are about to return to their regular lives, and the next wave of testers brings even more players to embrace Alpha World as their new reality, if only for a limited time. Alburet has new complications to deal with, but he doesn't have to face them alone. Two other loving women whom he has accepted the love of, Fluffball and Karen, will be at his side as the revelation of his past comes out. Will Alburet be able to handle what he has hidden from himself, with the love of the trio of women beside him? Or will he break and fail, leaving his Spirit Fractured? (This book contains adult themes. You'd think I could stop with these disclaimers but even this far into the series people are shocked by the content. This book contains a Polyamorous relationship, with one of the four people in it being a Succubus. You've been warned.)

How does Alburet feel about Stacia suddenly becoming his Succubus? How will her family react to her sudden change? While trying to handle this sudden transition, Mindblown is also going to take the server down for maintenance. Alburet will have to deal with emotional turmoil, all while continuing to play the game he has been sentenced to play for life. What else is about to change in Alpha World? Mindblown

announces the ability to form guilds. Alburet sees an opportunity to form a guild himself and takes it. This is a continuation of the Alpha World saga. It contains real life situations, including sensual scenes that don't get fully graphic but might make you uncomfortable. It also contains hunting monsters and gaining levels, but not at a break neck pace. (There are a number of hugs and kisses, numerous fade to black scenes that hint at sex, and three times where oral sex is found but not graphically described. Please remember, there is a Succubus in this story, aka a SEX DEMON, as such sex is referenced frequently.)

Alburet came to Alpha World as a tester for the government. What he found wasn't what he expected, but what he needed. Together with his three wives, they had survived the revelations and grown closer. Now, other problems had come to the fore, demanding to be dealt with. Given a quest by the Overlord, Alburet and his wives had a goal that they could not ignore, because failing it would shatter their family. To even have a chance at success, they would need to reach max level as quickly as they could for the first end-tier raid. The raid would bring Alburet back to where it all began: the Lost Prison of Alctriuz. There, Stein resided, raising an army of cultists and undead to topple Stormguard and the world. A raid event that would involve hundreds of players and thousands of NPCs was brewing. Welcome to the final installment of Alpha World. (This book contains adult themes. Life in Alpha World has been a blessing for Alburet, more than he had ever thought it could be, and still more than he thinks he deserves at times. With allies and friends all around him, and the love of three beautiful, unique women he knows that this might be the best life has to offer. But all of life has complications and his are many and varied. A quest from the Overlord, that requires he level as quickly as he can for the 'End Game' or risk losing all the happiness he has found. While that is difficult enough more issues keep showing up. The open-ended contract by the Assassins' Guild on any member of Alpha Company is testing the bonds of those who have joined. Add in the background movements of the Noble Houses to that list to make things even more annoying, but that is still not the end of the troubles. Not the least issue seems to be, the machinations of the vague old evil that is stirring again, with its own plans. With all these issues starting to bear down on Alburet and Alpha Company, he must fight to accomplish the goals needed to keep his loves, all while dealing with his own mental issues. Welcome back to Alpha World. (This book contains adult themes. You'd think I could stop with these disclaimers but even this far into the series people are shocked by the content.
