Description in English: Please be happy is a book that will give you all the bases for you to be happy, live cheerfully and learn to enjoy every moment of your existence. The author, cartoonist by profession, describes the thousand and one ways to get daily happiness, both in health and ailments, in poverty or in affluence, in company or alone and ponders about love, pain, family, anxieties, natural wisdom of children and bliss. The formula of happiness is in ourselves, but to get it you have to be alert, improve your views and be willing to find, at all times, the slightest excuse to be happy. Bliss costs very little. You have it in your hands: make up your mind, and please be happy.

""Being Happy!" is about why you spill spaghetti bolognaise only down the front of your BEST suit. It's about why some people always seem to be in the right place at the right time – and how you can be like them. It's about why you can drive an old wreck for fifteen years and never scratch it ... and then dent your new car after two days. It's about understanding yourself, being able to laugh at yourself, becoming more prosperous and being able to forgive yourself. Features 70 of Andrew Matthews' cartoons"--Amazon.com.

At last, a book that teenagers want to read! Do you ever wish: you were older you had more money? you looked different? Do you ever feel, "No one understands me!" Do you ever wonder, "Will I fall in love?" Do you ever ask, "Am I normal?" If you answered "yes" to half of the above, you will find this book very helpful!

La dicha de la vida en pareja es como un tesoro escondido que hay que buscar en equipo. Algunas veces las búsqueda parece interminable, otras infructuosa, pero la recompensa es enorme al final. Desde el momento en que elegimos a nuestra pareja, pasando por el descubrimiento de que no es necesario ser iguales para poder vivir bien, hasta conocernos mejor a nosotros mismos a través de nuestra(o) compañera(o). Por favor sea feliz en pareja aborda las situaciones que con mayor frecuencia son motivo de preocupación: sexualidad, trabajo y hogar, niños, el día de la boda, la luna de miel. Cambie su vida para siempre con el buen humor y las enseñanzas que encierran estas páginas y descubra que la felicidad se encuentra en los hechos más sencillos de la vida cotidiana.

This is a highly motivational self-help book with a difference: it has been written with great sensitivity in order that everybody, both young and old, can easily understand themselves and become in every way happier. The author's writings cover many aspects of life, among them attitudes, confidence, luck, success, depression, humour, forgiveness and many more. The book draws on everyday experiences and attitudes to show how we can change things for the better by adopting new approaches to people and situations. In an increasingly hard and insensitive environment, the secret of this book's success must be its relevance to the real life problems which all of us face, as well as the way in which the author provides some positive answers.

Offers advice on how to be a friend by being more of a contributor than a taker, emphasizing the positive, and learning to assert oneself, express anger but avoid arguments, learn from mistakes, and establish rules
