The Holocaust, also known as the Shoah, was the World War II genocide
of the European Jews. Between 1941 and 1945, across German-occupied
Europe, Nazi Germany and its collaborators systematically murdered
some six million Jews, around two-thirds of Europe's Jewish
population. The murders were carried out in pogroms and mass
shootings; by a policy of extermination through work in concentration

Facts You Should Know About the Holocaust

We booked a guided tour of the Holocaust section, which was excellent. It pulled together all bits from history, looking at the social and political positions to try to explain how Hitler came to power, how people felt about Jews and other minorities and how the Germans learned how they could get away with killing people.
