Upon its release, the album received generally mixed reviews from music critics, who complimented its ...

A rap superstar presents an honest chronicle of his life, discussing the mean streets of Los Angeles where he grew up, his arrest on a murder charge, and his friendship with Tupac Shakur.

The new name in horror has arrived. Meet the Moseleys is guaranteed to Meet your Expectations. A lifetime of love for the horror genre has culminated in this delightfully disgusting masterpiece by, Giovanni Russano. In this, the first of six novellas, we join typical jock Teddy, dumb blonde Jenny, tough as nails Laurie, angry at life George, your usual cliches, as they take a road trip to, "The Edge". A massive fictional woodland much like "The Pennsylvania Wilds". What will cause these twenty-somethings to meet the murderous Moseley family of deviants and bloody-thirsty psychos? Who will survive the massacre that will surely ensue? Read at your own risk and find out the answers to these questions with this novella from Rotting Horse Publishing.

Perfect for anyone interested in living the high life, the legendary, award-winning comic duo present this side-splitting guide to leading the stoner lifestyle, from the basics of pot culture and stoner etiquette to awesome games and recipes, that will give readers a severe case of the munchies. Original.

Welcome to tha Boss Dogg's Kitchen The first cookbook and recipe book from Tha Dogg: You've seen Snoop work his culinary magic on VH1's Emmy-nominated Martha and Snoop's Potluck Dinner Party, and now, Tha Dogg's up in your kitchen...with his first cookbook. Recipe book that delivers 50 recipes straight from Snoop's own collection: Snoop's cookbook features OG staples like Baked Mac & Cheese and Fried Bologna Sandwiches with Chips, and new takes on classic weeknight faves like Soft Flour Tacos and Easy Orange Chicken. And it don't stop...Snoop's giving a taste of the high life with remixes on upper echelon fare such as Lobster Thermidor and Filet Mignon. But we gotta keep it G with those favorite munchies too, ya know? From chewy Starbursts to those glorious Frito BBQ Twists, you should have an arsenal of snacks that'll satisfy. And of course, no party is complete without that Gin and Juice and other platinum ways to entertain. If you're a fan of celebrity cookbooks such as Bob's Burgers, Magnolia Table Cookbook, Margaritaville cookbook, or the Gilmore Girls Eat Like a Gilmore; the Doggfather's got you covered – complete with epic stories and behind-the-scenes photos that bring his masterpieces to life.

WINNER OF THE MAN ASIAN LITERARY PRIZE When sixty-nine-year-old So-nyo is separated from her husband among the crowds of the Seoul subway station, her family begins a desperate search to find her. Yet as long-held secrets and private sorrows begin to reveal themselves, they are forced to wonder: how well did they actually know the woman they called Mom? Told through the piercing voices and urgent perspectives of a daughter, son, husband, and mother, Please Look After Mom is at once an authentic picture of contemporary life in Korea and a universal story of family love.

From the eponymous star of one of the most popular reality shows in Fuse's history, this no-holds-barred memoir and “snappily dictated story of inverted cultural norms in the wards of New Orleans” (East Bay Express) reveals the fascinating truth about a gay, self-proclaimed mama’s boy who exploded onto the formerly underground Bounce music scene and found acceptance, healing, self-expression, and stardom. As the “undisputed ambassador” of the energetic, New Orleans-based Bounce movement, Big Freedia isn’t afraid to twerk, wiggle, and shake her way to self-confidence, and is encouraging her fans to do the same. In her engrossing memoir, Big Freedia tells the inside story of her path to fame, the peaks and valleys of her personal life, and the liberation that Bounce music brings to herself and every one of her fans who is searching for freedom. Big Freedia immediately pulls us into the relationship between her personal life and her career as an artist; being a “twerking sissy” is not just a job, she says, but a salvation. A place to find solace and escape from the battles she faced growing up in the worst neighborhood in New Orleans. To deal with losing loved ones to the violence on the streets, drug overdoses, and jail. To survive hurricane Katrina by living on her roof for two days with three adults and a child. To grapple with the difficulties and celebrate the joys of living. In this eye-opening memoir that bursts with energy, you’ll learn the history of the Bounce movement and meet all the colorful characters that pepper its music scene. “Whether detailing the highs or the lows, Freedia’s tales pop as much as the booty that made her famous” (Out Magazine).

#1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, The Immortal Life of Henrietta Lacks captures the beauty and drama of scientific discovery, as well as its human consequences.

A Robb Report Best Coffee Table Book to Gift in 2020 A Sports Car News and InsideHook Best Coffee Table Book for Car Lovers Celebrate That Special Bond Between Men and Cars, and the Stories That Connect Them Discover actor and director Ed Burns talking about his 1969 Oldsmobile Cutlass Supreme, a model he’d been dreaming about since his days pumping gas. Embark on your Magic journey now!

IT'LL TAKE MORE THAN ANGELS AND DEMONS TO STOP HIM. Reporter Spencer Finch is a journalist embroiled in the hunt for a missing book, encountering along the way cat burglars and mobsters, hackers and mysterious monks. At the same time, he's trying to make sense of the legacy left him by his late grandfather, a chest of what appear to be pulp magazines from the golden age of fantasy fiction. Following his nose, Finch gradually uncovers a mystery involving a lost Greek play, secret societies, generations of masked vigilantes - and an entire hidden history of mankind. It's like The Da Vinci Code retold by the Coen brothers in this blockbuster blur. File Under: Urban Fantasy [Conspiracy! | Angelic Mysteries | Pulp Fiction | Blow Your Mind]
