## Strong Words Magazine | Welcome

It ' s very common for students to use long words they don ' t understand very well in their essays and theses because they have a certain idea of what academic writing should be. Many students believe that academic writing is wordy and convoluted, and uses a lot of jargon. This leads many students to fall into a trap of imagining that the longer the word, the more impressive and intelligent ...

copywriting wheel, after all. Still, taking the time to get your writing right is worth it.

How To Write For Social Media To Create The Best Posts ...  
Although power words can make a sizeable impact on your social channels, it ' s important to not be heavy-handed with their use. If you overdo it, the words lose their power. A good rule of thumb is to treat them like salt: use enough to enhance the taste, but don ' t let it dominate the entire flavor.
