With entrepreneurship being the rage and the in-thing, one must ask whether the future of entrepreneurship would be like. This article examines some trends that might shape the future in addition to using the past as a guide as well as an understanding of the present to discuss the key theme that entrepreneurs must peer into the future as well as look backward without losing their feet on the ...

~~Entrepreneurship Articles - Management Study Guide~~

An entrepreneur is someone who develops a business model, acquires the necessary physical and human capital to start a new venture, and operationalizes it and is responsible for its success or failure. Note the emphasis of the phrase responsible for success or failure as the entrepreneur is distinct from the professional manager in the sense that the former either invests his or her own resources or raises capital from external sources and thus takes the blame for the failure as well as ...
