The Almond The Sexual Awakening Of A Muslim Woman

This book is supposed to be about the sexual awakening of a Muslim woman, but in all honesty it was pretty much just a typical erotica book, with less details. From an analytical standpoint, there really is not much controversy to be had about this book; it seems as if this book was intentionally written for the western audience from the viewpoint of an Arab woman, it really was just a fun read, that's about it.

A lyrical debut novel from a musician and artist renowned for her sharp sexual and political imagery Jo is in a strange new country for university and having a more peculiar time than most. In a house with no walls, shared with a woman who has no boundaries, she finds her strange home coming to life in unimaginable ways. I would like to make myself the heroine of this story and my character to be noble-an innocent victim led astray. But alas, sir, I would be lying. In prison, accused of murder, Tully Truegood begins to write her life story. A story that takes her from a young girl in the backstreets of 18th century London to her stepmother Queenie's Fairy House-a place where decadent excess is a must. Trained by Queenie to become a courtesan, and by Mr. Cresse-a magician who sees that Tully holds similar special powers to his own-Tully soon becomes the talk of the town. But as Tully goes on a journey of sexual awakening, she falls in love with one of her clients and the pleasure soon turns to pain. Especially when the estranged husband she was forced to marry by her father suddenly seeks her out. Now Tully is awaiting her trial for murder, for which she expects to hang, and her only chance of survival is to get her story to the one person who might be able to help her. Delaney's incredible tale of a young woman's journey out of the depths of despair is shocking, haunting and evocative. Part historical fiction and part magical realism, this juicy, jaw-dropping story will linger long after the last page is turned.

From the New York Times bestselling author and Dear Sugars columnist, an arousing story collection exploring modern love in the age of hook-up culture. Steve Almond's My Life in Heavy Metal presents twelve passion-fueled stories-including his Pushcart Prize-winning story "The Pass"-that take a clear-eyed view of relationships between young men and women who have come of age in an era without innocence. These are powerful and resonant stories of love and lust that bring to life a generation's search for connection in a fragmented world. In the title story, an El Paso newspaper clerk assigned to review the heavy metal bands playing local arenas is drawn in by the primal music, fueling a torrid affair with a Mexican-American woman that will change him forever. In "Geek Player, Love Slayer," a thirty-three-year-old woman harbors a secret crush on the young computer repairman in her office-until her ardor is unleashed at an after-work party. In "Valentino," two teenagers in their last summer before college experience a sexual awakening inspired by the romantic legend of a movie star from long ago. A book The Guardian called "hip social satire," My Life in Heavy Metal captures the moments when the fires of passion burn over and subside into embers of pain and longing. "[A] gifted storyteller. . . . [Almond] writes with a loose, anthropological humor." -The New York Times Book Review "Fourteen delightful debut stories." -Kirkus Reviews, starred review

A Taste of Honey provides a scholarly exposition on the prominent place that sexuality and erotology enjoyed in traditional Islam. The book is divided into two parts; part one presents a critical examination of sexual ethics and part two consists of a concise treatise on the art of seduction and lovemaking. The central aim of this book argues that Islam is a sexually enlightened religion which teaches that sensuality should not be devoid of spirituality. The book also argues that the loss of sacred sensuality afflicting modern society can be reclaimed by a revival of the classical erotological tradition. Drawing upon the Qur'ân, 7ad7th and traditional erotological literature, the book follows the style and composition of classical Eastern and Afro-Arab love texts such as the Kama Sutra and Jal7i ad-d7n a7-7uy777's erotic treatises. A Taste of Honey is a thought-provoking work on a highly sensitive, yet extremely important subject.

"Jaw-dropping . . . Inspiring . . . A haunting and beautifully composed book . . . It blew my mind." --Lisa Taddeo, #1 New York Times bestselling author of Three Women A fearless exposé of the secrets and lies of women's intimate lives, by the bestselling author of The Perfect Nanny, Adèle, and In the Country of Others "All those in positions of authority--politicians, parents, teachers--maintain the same line: "Do what you like, but do it in private." " Leila Slimani was in her native Morocco promoting her novel Adèle, about a woman addicted to sex, when she began meeting women who confided the dark secrets of their sexual lives. In Morocco, adultery, abortion, homosexuality, prostitution, and sex outside of marriage are all punishable by law, and women have only two choices: They can be wives or virgins. Sex and Lies combines vivid, often harrowing testimonies with Slimani's passionate and intelligent commentary to make a galvanizing case for a sexual revolution in the Arab world.

A first collection of twelve powerful stories that takes a clear-eyed view of relationships between young men and women who have come of age in an era without innocence, My Life in Heavy Metal received tremendous acclaim in hardcover. In the past year, Almond has won a Pushcart Prize and been a finalist for the National Magazine Award.
