Campbell, who suffers from depression, looks in the mirror and finds a bittersweet reflection, a life divided between the bad and not-so-bad days, where the highest achievements in his professional life could leave him numb, and he can somehow look back on a catastrophic breakdown twenty-five years ago as the best thing that happened to him. He writes too of what he has learned from the recent death of his best friend, further informing his view that the pursuit of happiness is a long game.
