The LEGO Trains Book is an illustrated guide to the world of LEGO train building.

The LEGO Trains Book | No Starch Press

Jake McKee is well known within the community of Adult Fans of LEGO as a train aficionado, and he's done a nice job of giving an overview of the general principles that LEGO trains work under. The book covers track design, train terminology, and other tidbits; several chapters are devoted to step-by-step instructions for a locomotive and articulated container cars.
