The handbook touches on most of the important sections: company purpose and values, policies, the business model, employee benefits and culture. The handbook finishes by checking one of the most important legal boxes: a quick note stating that the rules are not a part of an employment contract and are subject to change without notice.

Human Resources Management - HRM Handbook

Program
Employment in management occupations is projected to grow 5 percent from 2019 to 2029, faster than the average for all occupations, and will result in about 505,000 new jobs. Employment growth is expected to be driven by the formation of new organizations and expansion of existing ones, which should require more workers to manage these operations.
