It is fascinating to see how the Marsh Arabs lived for so many years. Their culture, reed architecture and history was truly peaceful. So sad that it has been destroyed in recent years. This book has some amazing pictures of a way of life now gone forever and introduces us to some of the people who lived it.

*The Marsh Arabs (Penguin Classics): Amazon.co.uk: Thesiger ...*

The Marsh Arabs is a piece of travel writing describing Wilfred Thesiger's seven years living among the Marshmen of southern Iraq. It takes place during the 1950's, but feels much older. Thesiger was one of the last great British adventurers, and the world he recorded in this book has mostly vanished.
