The Routledge Companion to Identity and Consumption ...

In our materialistic world it seems as if there is no debate that our consumption behaviour is fused with our self-identity - shaping it, changing it and often challenging it. The Routledge Companion to Identity and Consumption introduces the reader to state-of-the-art research, written by the world's leading scholars regarding the interplay between identity and consumption.

The Routledge Companion to Identity and Consumption

This Research Companion brings together an international team of authors to discuss the concepts, ideas and practices that inform the entwining of heritage and identity. They have assembled a wide geographical range of examples and interpret them through a number of disciplinary lenses that include geography, history, museum and heritage studies, archaeology, art history, history, anthropology and
