The Struggle for Democracy not only provides students with an understanding of the American political process but also with the tools to critically evaluate that process. This text focuses on the role that democracy has played in the American story and asks students how democracy is—or isn't—revealed in our politics and government.

Greenberg & Page, Struggle for Democracy, 2012 Election ...  
The most distinctive and intelligent introductory text in American government today, The Struggle for Democracy, now in its third edition, provides an even more accessible and inviting springboard for learning the enduring and conceptual heart of this course - the meaning and value of democracy. The goals of this book are to provide the tools with which to think critically.
