A guide to gaining financial independence simplifies and clarifies the subject of personal finance planning, describing how anyone can become wealthy without speculation and unnecessary risk

Australian edition of a financial planning guidebook, originally published in 1991. Concepts are illustrated using the fictional character of a wealthy barber who offers his barbershop customers strategies

to improve their finances. The author lives in Canada and is the head of a consulting firm that specialises in teaching financial planning techniques.

Using Solomon's life and teachings as a foundation, Bruce Fleet offers today's readers a unique, well-grounded, proven method of wise investing. Solomon was more than just a character in the Bible—he was the richest man who ever lived. If we could learn from him directly, what would he teach us about growth in riches and knowledge? And how can we relate his life and wisdom to the society and successful financial planning of our contemporary world? Bruce Fleet's *The Solomon Secret* brings together instructional parables highlighting the wisdom of history's wealthiest man, with practical and sound financial advice for twenty-first-century readers. In the bestselling tradition of *The Richest Man in Babylon*, *The Solomon Secret* follows King Solomon as he mentors his young protégé, Abidan, on the seven basic principles of life and their influence on financial success. Each of these parables illustrates a key principle that Abidan must discover before he can garner more wealth and happiness, and is then followed by Fleet's masterful application of these principles to the reader's life and to the most urgent and essential financial questions of our time. Fleet, a successful financial adviser and owner of a large investment firm, draws from the time-honored and historically proven wisdom of the life of the ancient king to offer—through the siphon of his own talent and perspective—the very best in financial strategies for today's challenging economic climate. An accessible and effective mix of teaching stories with powerful financial lessons, *The Solomon Secret* is a highly readable, informative guide to becoming wealthy and wise.

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

Terry O'Reilly, host of the popular radio show *Under the Influence*, provides the best stories about smart marketing for small business. In Terry's gifted presentation, *This I Know* is more than applied business techniques. It offers a unique view of contemporary life through the lens of advertising. Skillfully revealing the machinations behind the marketing curtains, O'Reilly explains how small business can harness the tricks of the trade that the biggest corporations use to create their own marketing buzz.

Adopt the investment strategy that turned a school teacher into a millionaire *Millionaire Teacher* shows you how to achieve financial independence through smart investing — without being a financial wizard. Author Andrew Hallam was a high school English teacher. He became a debt-free millionaire by following a few simple rules. In this book, he teaches you the financial fundamentals you need to follow in his tracks. You can spend just an hour per year on your investments, never think about the stock market's direction — and still beat most professional investors. It's not about get-rich-quick schemes or trendy investment products peddled by an ever-widening, self-serving industry; it's about your money and your future. This new second edition features updated discussion on passive investing, studies on dollar cost averaging versus lump sum investing, and a detailed segment on RoboAdvisors for Americans, Canadians, Australians, Singaporeans and British investors. Financial literacy is rarely taught in schools. Were you shortchanged by your education system? This book is your solution, teaching you the ABCs of finance to help you build wealth. Gain the financial literacy to make smart investment decisions Learn why you should invest in index funds Find out how to find the right kind of financial advisor Avoid scams and flash-in-the-pan trends *Millionaire Teacher* shows how to build a strong financial future today.
