To Dare More Boldly by John C. Hulsman | Audiobook ...

To Dare More Boldly is an odd book in which the author ranges across the centuries in search of historical analogies to present problems that will form the basis of a set of rules, indeed "Ten Commandments", to enable the statesman, the general, the captain of industry or the investment banker to avoid mistakes and make the right strategic decisions. The examples and analogies are eclectic: Gibbon and the Roman Empire, the Crusades, Napoleon and the origins of the First World War jostle ...

to political risk. To Dare More Boldly provides those ways, telling the story of the rise of political risk analysis, both as a discipline and a lucrative high-stakes industry that guides the strategic decisions of corporations and governments around the world. It assesses why recent predictions have gone so wrong and boldly puts forward ten analytical commandments that can stand the test of time. Written by one of the field's leading practitioners, this incisive book derives these indelible rules of the game from a wide-ranging and entertaining survey of world history. John Hulsman looks at examples as seemingly unconnected as the ancient Greeks and Romans, the Third Crusade, the Italian Renaissance, America's founders, Napoleon, the Battle of Gettysburg, the British Empire, the Kaiser's Germany, the breakup of the Beatles, Charles Manson, and Deng Xiaoping's China. Hulsman makes sense of yesterday's world, and in doing so provides an invaluable conceptual tool kit for navigating today's. To Dare More Boldly creatively explains why political risk analysis is vital for business and political leaders alike, and authoritatively establishes the analytical rules of thumb that practitioners need to do it effectively.

Thinkers50 Management Thinker of 2015 Whitney Johnson has a goal: to help us identify and achieve our dreams. Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives. In this inspiring book, Johnson directs her attention to teaching women, in particular, a three-step model for personal advancement and happiness. She first encourages us to Dare to boldly step out, to consider disrupting life as we know it. Then she teaches us how to Dream, to give life to the many possibilities available, whether to start a business, run a marathon, or travel the world. She shows us how to "date" our dreams (no need to commit!) and how to make space for dreams. Finally, Whitney's model brings out the businesswoman in her; she teaches us to Do, to execute our dreams. She showcases the importance of sharing dreams with others to give them life, creating your own "dream team." Rich with real stories of women who have dared to dream, Dare, Dream, Do offers a practical framework for making remarkable things happen.

There's a hero that rests deep within you. You are being invited to remember. Reignite your dreams by dreaming boldly, I dare you. This powerful book of transformation contains 31 days of powerful life stories, intended to be savored one by one. In a competitive and increasingly internationalised business world, many companies rely on the high risk/reward ratio of operating in unstable areas. Those companies willing to engage in emerging or developing countries can often be exposed to a politically volatile environment over which they have little control. Political risk, therefore, is one of the most hazardous challenges that an international business can face. In *A Short Guide to Political Risk* you will find a business-centric introduction to political risk that will familiarise international managers with the concept and accelerate the learning curve towards proficient and coherent political risk management. Robert McKellar explores: the key political risks that companies have faced in the recent past, and current trends in the evolution of the political risk landscape; the concept of political risk and its constituent elements; models and approaches for assessing political risk; the principal options for managing political risk, and suggestions for organisational structures to ensure a coherent and consistent approach; as well as wider issues that a company needs to consider in developing its own attitude and philosophy on political risk. *A Short Guide to Political Risk* is an essential introductory guide for risk managers and for all senior managers concerned with their organisation's global performance and reputation.

From bestselling author and founder of the Simplified® brand of organizational tools for busy women comes *Growing Boldly*, a how-to book that inspires us to imagine big, plan well, and then gather the equipment and the courage to go out and do. ready to build a life you love.

The Godfather Doctrine draws clear and essential lessons from perhaps the greatest Hollywood movie ever made to illustrate America's changing geopolitical place in the world and how our country can best meet the momentous strategic challenges it faces. In the movie *The Godfather*, Don Corleone, head of New York's most powerful organized-crime family, is shockingly gunned down in broad daylight, leaving his sons Sonny and Michael, along with his adopted son, consigliere Tom Hagen, to chart a new course for the family. In *The Godfather Doctrine*, John Hulsman and Wess Mitchell show how the aging and wounded don is emblematic of cold-war American power on the decline in a new world where our enemies play by unfamiliar rules, and how the don's heirs uncannily exemplify the three leading schools of American foreign policy today. Tom, the left-of-center liberal institutionalist, thinks the old rules still apply and that negotiation is the answer. Sonny is the Bush-era neocon who shoots first and asks questions later, proving an easy target for his enemies. Only Michael, the realist, has a sure feel for the changing scene, recognizing the need for flexible combinations of soft and hard power to keep the family strong and maintain its influence and security in a dangerous and rapidly changing world. Based on Hulsman and Mitchell's groundbreaking and widely debated article, "Pax Corleone," *The Godfather Doctrine* explains for everyone why Francis Ford Coppola's epic story about a Mafia dynasty holds key insights for ensuring America's survival in the twenty-first century.

Either by choice or by circumstance, we all encounter times of starting over. Seasons of hardships, abundance, seeking, and struggle all have a purpose because growth demands change. *Dare to Bloom* urges us to be both vulnerable and resilient in new seasons of life as we boldly position ourselves for what God has for us next. Serial entrepreneur and author, Zim Flores (neè Ugochukwu), reveals the challenges she's faced and how even her failures have helped shape her sense of purpose. Her parents had big plans for her life. The daughter of Nigerian immigrants, Zim Flores was uprooted from her community as a young girl, marking the beginning of her quest for true identity. Though she experienced unprecedented worldly success as a teenager and young adult, Zim declares that even when we feel pressured by the world around us, our true identity is never at risk. In *Dare to Bloom*, Zim offers practical and hard-won truths about: How to reclaim your true identity How to surrender your desired outcomes to God How to move forward after broken friendships How to find comfort during your darkest hours How to navigate new beginnings with hope for whatever is next How to joyfully participate in your own story--even when you don't know what the future holds *Dare to Bloom* is a powerful gift for readers in times of transition or struggle who need a reminder that their true identity never changes. It empowers those who feel stuck in their current circumstances to follow God obediently into the unknown, finding joy in each new

File Type PDF To Dare More Boldly The Audacious Story Of Political Risk

beginning. Inside you'll find: Breathtaking photography from Zim's travels Thoughtful questions for reflection at the end of each chapter Zimisms--wisdom-filled phrases from the author When everything changes around us, it can be easy to think that we're only as good as our last success. Though our identities are challenged day by day, Dare to Bloom encourages us to reclaim our identity in God, who is unchanging through it all.

From a veteran Fortune 500 executive, how women can reach and succeed in top leadership positions Though women hold a majority of the managerial and professional jobs in the workforce, they occupy a mere 14% of C-suite positions at Fortune 500 firms. To break through this stubborn glass ceiling, women must learn to take bold steps when career-defining moments arise. During her 33-year career at Southern Company, a Fortune 500 utility company, Becky Blalock rose to become CIO in a traditionally male industry. Now she offers her own hard-won advice, as well as that of 28 top female executives, to show all aspiring women how to dare to reach the highest tier of leadership and C-suite positions. Includes advice and mentoring lessons from top women business leaders such as: Anna Maria Chávez, CEO of the Girl Scouts of the USA; Kat Cole, President of Cinnabon; Carol Tomé, CFO of Home Depot; Dr. Beverly Tatum, president of Spelman College, and Jeanette Horan, CIO of IBM, among many others Features straightforward, honest advice on gaining confidence, speaking up, finding mentors, learning to fail, building a network of allies, managing others, and more Written by pioneering business leader Becky Blalock, with a Foreword by Anne Mulcahy, former chairperson and CEO of Xerox Corporation Dare is must-needed guide for women everywhere, at every level, striving to develop the character, skills, and relationships that deliver greater success in the workplace.

Feeling stuck? Veteran journalist and cancer survivor Lu Ann Cahn was feeling angry and frustrated. The economy was tanking. Her job was changing. In a word, she felt "stuck." Something had to change. Her daughter helped convince her to start a "Year of Firsts." For the next 365 days, Cahn made a point of doing something she had never done before, every day. Before she knew it, her whole perspective on life had changed. In this inspiring book, Lu Ann recounts how a new "first" everyday brought excitement and wonder back into her world. And more than that, she helps readers see how they can do it too. • Participate in a Polar Bear Plunge • Speak to a complete stranger on the street • Zip-line across a crocodile-infested Mexican lake • Spend a day in a wheelchair • Learn to Hula Hoop

Statistics don't lie. Moms today are more fatigued, burned out, and overwhelmed than ever. Smartphones constantly ping and alert and demand our attention. And social media can eat up hours of our days with mindless scrolling and tapping while leaving many feeling empty and lonely. Add to that family

File Type PDF To Dare More Boldly The Audacious Story Of Political Risk

commitments, work that is accessible around the clock, and overscheduling, and you have a life that can feel unmanageable and frantic . . . even running on empty. Bestselling author and founder of Simplified®, Emily Ley shares how to live a life of more in a world that often overwhelms to the point of burnout in *When Less Becomes More*. Emily empathizes with mothers in the throes of exhaustion and provides tools for nourishing their spirits and achieving a life where less becomes more. In this book, Emily Ley, author of the bestselling *Grace, Not Perfection* and *A Simplified Life*, takes readers on a journey out of that empty place and shows them how to fill their wells with the nourishment that only true connection can provide. She also presents some radical concepts that push against the tethers of modern life, with the promise that more of the good stuff comes when we say yes to less of what keeps us empty: Less Rush, More Rhythm Less Liking, More Loving Less Noise, More Calm Less Distraction, More Connection Less Frenzy, More Soul Rest Less Fake, More Real Less Fear, More Community Less Great, More Good Less Chasing, More Cherishing Less Stuff, More Treasures Getting to more might require some outside-the-box changes, some unraveling of the patterns readers have adopted, and some reworking of the day to day. Readers can build a life based on their core values instead of slipping into a life dictated by society or what's "normal." Because we weren't made for normal. We were made for more--for a life of fullness, dreaming, and lasting joy.
