In this novel, thriller writer Ian Ludlow fights to stay alive when he realizes his make-believe world of plots and assassins has suddenly become all too real.

#1 New York Times bestselling author Lee Goldberg hits the ground running in a breakneck thriller where truth and fiction collide for the unluckiest writer alive. When a passenger jet crashes onto the beaches of Waikiki, bestselling thriller writer Ian Ludlow knows the horrific tragedy wasn't an accident. Years before, the CIA enlisted Ian to dream up terrorism scenarios to prepare the government for nightmares they couldn't imagine. Now one of those schemes has come true, and Ian is the only person alive who knows how it was done...and who is behind the plot. That makes him too dangerous to live. Ian goes on the run, sweeping up an innocent bystander in his plight--Margo French, a dog walker and aspiring singer. They are pursued by assassins and an all-seeing global-intelligence network that won't stop until Ian and Margo are dead. Ian has written thrillers like this before, but this time he doesn't know how it's going to end--or if he will be alive to find out.

In #1 New York Times bestselling author Lee Goldberg's action-packed sequel to the Washington Post bestseller True Fiction, a hapless writer is pitted against an enemy nation mounting a treacherous plot lifted from one of his thrillers. Everybody loves Ian Ludlow's action novels--especially the CIA--because the spies know something the public doesn't: his fictional plots have a frightening tendency to come true. Ian is in Hong Kong with his resourceful assistant Margo French to research his wildest story yet--a deadly global conspiracy by Chinese intelligence to topple the United States. What Ian doesn't know is that his horrifying scenario is happening and that the Chinese mistakenly believe he's an undercover superspy assigned to foil their scheme. Now Ian is trapped in his own terrifying thriller, on the run from assassins, and racing against time to prevent an epic disaster. He's written himself into a corner that could cost his life...and his country.

"Author Ian Ludlow writes great adventures, but after helping Chinese movie star Wang Mei defect to the United States, he becomes the accidental hero of a real-life espionage thriller. Now he's stuck with the actress - and suffering a nasty case of writer's block - when he stumbles into a secret Russian plot using "fake news" to outrage Americans into believing a terrifying lie. The only weapon Ian has against the global conspiracy, and the assassins who are closing in on him, is his vivid imagination. If his story isn't a killer thriller, he's dead."--Provided by publisher.

Major Crimes Unit detective Tom Wade secretly worked with the Feds to nail seven of his fellow cops for corruption...turning him into a pariah in the police department. So he's exiled to patrol a beat in King City's deadliest neighborhood...with no back-up, no resources, and no hope of survival. Now Wade fights to tame the lawless, poverty-stricken wasteland...while investigating a string of brutal murders of young women. It's a case that takes him from the squalor of the inner-city to the manicured enclaves of the privileged, revealing the sordid and deadly ways the two worlds are intertwined...making his enemies even more determined to crush him. But for Tom Wade, backing down is never an option...even if it will cost him his life. It's one reason why bestselling author Janet Evanovich calls Wade "an unforgettable and deeply compelling character in the most original crime novel to come along in years."

Ash McKenna used to be an amateur P.I.—emphasis on ‘amateur’. Despite good intentions, he made a mess of his life in New York, so tried to build a new one in Portland. But after a traumatic turn of events, he ends up on a commune in the Georgia woods, binge-drinking cheap whiskey and waiting for his passport to flee the country and nightmares that have followed him. It’s written off as an accident, but Ash suspects something more sinister. As he looks into Pete’s death, Ash is shocked to find the supposedly peaceful community houses a rogue faction preparing to commit an unspeakable act of violence. Ash has to make a choice: run, or put his skills to use and try to stop them. But he doesn’t know who to trust, or where the faction is planning to strike. As he struggles to put a stop to the violence, while keeping his own demons at bay, Ash finds that it’s only a matter of time before one or the other puts him down for good.
