Under a Falling Star is a common trope where two women meet, get on remarkably well, only to discover that they work together and one of them is the boss. What makes this different is the writing and the characters.

Under a Falling Star is a bit hard for me to review. Why you ask? Because I loved so many things about it. It is hard to decide where to start. In a way, it was like a good mystery where you had to wait till the very end to see where it goes and then it is a big surprise. I really like that and believe me, it takes a special author to pull it ...

This is a great love story. Dee and Austen are both quite a couple of chracters, who fall for each other from beginning. They bring out the best of each other and have this roller coaster of a ride getting to be together. Great read. Originally posted on Under a Falling Star.

Under a Falling Star by Jae. Author: TheBookgeek. December 8, 2014. A good lesbian romance is always welcome, but a romance with wit and humor is a most welcome gift to brighten up those days, and in fact every day. Jae's newest novel is set in Portland, Oregon, and focuses on Austen (as in Jane Austen) and Dee.

"Falling stars are supposed to be a lucky sign, but not for Austen. Her new job as a secretary in an international games company isn't off to a good start. Her first assignment--decorating the Christmas tree in the lobby--results in a trip to the ER after Dee, the company's second-in-command, gets hit by the star-shaped tree topper. Dee blames her instant attraction to Austen on her head wound, not the magic of the falling star. She's determined not to act on it, especially since Austen has no idea that Dee is practically her boss"--Back cover.

Written for a young audience, this intense memoir explores the harsh realities of life on the streets in contemporary North Korea. Every Falling Star is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, his brothers, to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

For eighteen year-old Gemma, life has never been normal. Up until recently, she has been incapable of feeling emotion. And when she's around Alex, the gorgeous new guy at school, she can feel electricity that makes her skin buzz. Not to mention the monsters that haunt her nightmares have crossed over into real-life. But with Alex seeming to hate her and secrets popping up everywhere, Gemma's life is turning into a chaotic mess. Things that shouldn't be real suddenly seem to exist. And as her world falls apart, figuring out the secrets of her past becomes a matter of life and death.

A deliciously charming novel about finding true love . . . and yourself. Nothing ever happens in Little, CA. Which is just the way Carter Moon likes it. But when Hollywood arrives to film a movie starring former child star turned PR mess Adam Jakes, everything changes. Carter's town becomes a giant glittery set and, much to her annoyance, everyone is starry-eyed for Adam. Carter seems to be the only girl not falling all over herself to get a glimpse of him. Which apparently makes her perfect for the secret offer of a lifetime: playing the role of Adam's girlfriend while he's in town, to improve his public image, in exchange for a hefty paycheck. Her family really needs the money and so Carters agrees. But it turns out Adam isn't at all who she thought he was. As they grow closer, their relationship walks a blurry line between what's real and what's fake, and Carter must open her eyes to the scariest of unexplored worlds - her future. Can Carter figure out what she wants out of life AND get the guy? Or are there no Hollywood endings in real life?

A country star looking for a comeback has one last shot at fame--and he might just have one last shot at love. Naomi Mallard is a fixer by nature. And as PR manager for Nashville's Shooting Stars record label, she's facing her biggest fix: redeeming country music bad boy Chance Colburn. But in Naomi's eyes, a police record and a stint in rehab are the least of Chance's sins. He has spent his life running from demons and making tabloid headlines that have sent his career into a tailspin. Now he's struggling to find his muse and maintain his newfound sobriety, all while counting on the woman he once betrayed to repair his tattered reputation. Naomi is determined to keep their relationship strictly professional, but that's not easy when an unexpected injury forces the former couple into disturbingly close proximity. Will mending their once-broken relationship be Naomi's best save yet? Or will Chance's past wreck any hope for a future together?

When Adaline Falling Star goes in search of her missing father, scout Kit Carson, she ends up on a challenging wilderness adventure that causes her to learn a great deal about herself. Reprint.

Lochlan Paige is one of the biggest stars in Nashville. With her gorgeous stage presence and pitch-perfect voice, she's earned her countless awards and sold out shows. But being famous hasn't changed the fact that her favorite place to write music is in the quiet confines of libraries. Everything changes the moment she meets college student Vanessa and her fast-paced, very closeted world of country music is turned upside down. Vanessa Wallace, a serious pre-med student, aspires to becoming a pediatric oncologist. During a late-night session at the campus library, an annoying hum coming from a secluded section leads to an encounter with Lochlan Paige. Little does Vanessa know she is about to take off on a whirlwind adventure that may end in love or loss.

Bear is desperate to make a wish when the last leaf in the forest falls from its tree. As he sits and waits he is joined by other woodland animals that try to help him catch his falling star - when all he wanted to wish for were friends in the first place! Has Bear's wish come true without him even realizing? Beautiful storybook by husband and wife author/illustrator team. Adorable characters. With supporting notes for parents and teachers.

Have you ever wondered what the story of the Bible would look like from the perspective of Satan? Perhaps one of the most maligned figures in literary history, the fallen angel known as "Lucifer" has his own story to tell. It shouldn't surprise you to know that it is strikingly different from anything else you've heard on the subject. From the back of the book: We are all the hero of our own story, and "history" is written by the victors. The Falling Star is the story of the Archangel Samael. Once among the highest Angels of the Heavenly Host, yet forever remembered as Satan. Using the Biblical narrative as a backdrop, the story unfolds from the perspective of the supposed villain. Samael's journey is one of self-discovery, as he grapples with the concepts of free will, subjective truth and predestination. Samael desperately wants to believe in his own autonomy, yet is constantly confronted with evidence that God holds the reins. That his supposed free will is, in fact, illusory. Join us as we read between the lines, examine the subtext, and fill in the blanks of one of the most well-known stories ever told.

Best-selling author Rick Riordan presents Graci Kim's thrilling debut about an adopted Korean-American girl who discovers her heritage and her magic on a perilous journey to save her witch clan family. "Graci Kim does such an amazing job of blending Korean mythology into the modern world, I am now wondering how I ever lived without knowing all this cool information."--New York Times #1 best-selling author Rick Riordan Riley Oh can't wait to see her sister get initiated into the Gom clan, a powerful lineage of Korean healing witches their family has belonged to for generations. Her sister, Hattie, will earn her Gi bracelet and finally be able to cast spells without adult supervision. Although Riley is desperate to follow in her sister's footsteps when she herself turns thirteen, she's a saram--a person without magic. Riley was adopted, and despite having memorized every healing spell she's ever heard, she often feels like the odd one out in her family and the gifted community. Then Hattie gets an idea: what if the two of them could cast a spell that would allow Riley to share Hattie's magic? Their sleuthing reveals a promising incantation in the family's old spell book, and the sisters decide to perform it at Hattie's initiation ceremony. If it works, no one will ever treat Riley as an outsider again. It's a perfect plan! Until it isn't. When the sisters attempt to violate the laws of the Godrealm, Hattie's life ends up hanging in the balance, and to save her Riley has to fulfill an impossible task: find the last fallen star. But what even is the star, and how can she find it? As Riley embarks on her search, she finds herself meeting fantastic creatures and collaborating with her worst enemies. And when she uncovers secrets that challenge everything she has been taught to believe, Riley must decide what it means to be a witch, what it means to be family, and what it really means to belong.
